

## CiC Christian Young Leaders' Ambassadors

### Intro

CiC is seeking to appoint a team of highly motivated, volunteer Young Leaders' Ambassadors who will promote the work of CiC to those aged 18-25. It is our hope that Ambassadors will enable us to extend our reach to independent young leaders throughout the UK and by doing so, help us to fulfil our goal of providing encouragement and support for the next generation of leaders.

### Role description

Ambassadors will proactively seek to identify and engage with young leaders in existing CiC member churches and other independent churches, promoting our services and recruiting new members. This will involve representing and raising awareness about CiC's membership option for young leaders at church events, online and by participating in young leaders' events hosted by CiC. As such, we would expect Ambassadors to be highly motivated to secure new opportunities to engage with the independent church sector and report progress to the CiC office regularly.
